

SHIVERING GEOFF – episode 8 (Special Christmas Ep.)

Geoff fiddles with an unseen object just outside of frame. While a voice over conversation occurs between MARY - JOY – and LOU.

MARY

What did your family do for Christmas?

JOY

Years ago?

MARY

Yes. Did you have a big family Christmas?

JOY

Yeah, Mum would roast a turkey stuffed with a duck and a chicken. You remember those, Lou?

LOU

I remember Gran's trifle.

JOY

That's right. Her famous alcoholic trifle.

MARY

Was Geoff there?

JOY

Yes, he would come with Peter, and Maureen.

LOU

One year he got drunk and shot Neville with an air pistol.

JOY

He never apologised for doing that...

GEOFF reveals he is messing with a plug and cord. He pushes the plug into the end of an extension lead. Behind him, Christmas lights flash on.
